HOUSE BAR

When the Gods created Gilgamesh they gave him a perfect body.
Shamash, the Glorious Sun, endowed him with beauty.
Adad, the God of the Storm, endowed him with courage.
The Great Gods made him perfect.

Gilgamesh, said to be two-thirds God and one-third human, was the King of Uruk in ancient Babylonia, where he built an extensive city state, described in great detail in the Epic of Gilgamesh, dating from about 2700 BC.

Exploring mankind's universal longing for immortality, the Epic chronicles the story of the Babylon hero's quest literature's very first hero's quest for glory and flight from death, and stands as the oldest recorded 'book' in mankind history and offers literature's very first hero.

Welcome to the World of Gilgamesh.
